Students (and their welfare)

General characteristics
The student population is complex and reflects a diversity of socio-economic backgrounds ~ living in Snowtown or coming from farming areas. The school is serviced by one air-conditioned DECD school bus. The school is rated as Category 2 on the DECD Index of Disadvantaged Schools. In 2013 the school has 3 classes/home groups – R/1, 2/3/4 and 5/6/72.

Support offered
Our Christian Pastoral Support Worker (6 hours per week) is also well connected to the community and provides an added layer of support to students and their families.

Support from the Regional Office is available for students with disabilities, along with behavioural concerns, attendance and wellbeing issues.

School Behaviour Management
The goal of all Behaviour Management strategies is to have students, in classes, engaged in meaningful learning experiences, as soon as is practicable within the school setting.

Student Voice
All classes from R-7 are involved in Student Council. Student Leaders chair Student Council meetings and participate in the decision-making and organisation of school events.

We continue to look for ways to include genuine student voice in our school decision making processes.

Special Programmes

Aboriginal students Integrated Learning Plans are updated each term.

Curriculum

Subject offerings
The school offers a range of subjects R-7. Seven areas of study are offered R-7.
Special Curriculum Features
A transition program exists between the Pre-school (Kindy) and R-1 class. The R-1 class has a play-based program in operation.

Assessment and Reporting
Student written reports are prepared at the end of each semester, and collated electronically and compliant with all Federal requirements. Parent/student/teacher three way interviews are held in Term 1 and 3 as an integral part of our reporting processes.

Sporting Activities
A strong Health and Physical Education curriculum is taught R-7. The school conducts an Annual Sports Day with Port Broughton Area School. Snowtown Primary School competes as one team and Port Broughton Area School as two teams. Students attend and compete in a number of SAPSASA activities during the year. In Term 4, all students take part in a Swimming programme in the school pool.

Other Co-Curricular Activities
Students are given the opportunity to be involved in a comprehensive range of activities, including excursions, camps, cultural and artistic events, which are linked to learning programs.

Staff (and their welfare)

Staff support systems
Staff wellbeing is a priority. The Principal is available to staff in an ongoing manner. The Christian Pastoral Support Worker also supports staff when the need arises.

An annual psychological health assessment is undertaken: the results are examined by the OHSW committee and follow-up actions determined.

If the Principal is out of the school, teachers have the opportunity to be Teacher-in-Charge.

A Day Book, weekly Staff Connect, regular emails and staff meeting administration time, including a proposals system, are primary forms of communication.

Performance Management
Regular scheduled meetings with line managers occur at least once per term, with written feedback twice a year. Performance Management foci are closely linked with the Site Improvement Plan and informed by Self Review recommendations. Personal Development Plans for teaching staff are developed with the support of line managers and form the basis of the School Performance Management process, which is in accord with DECD policy. The Principal line-manage teacher performance; the Finance Administrative Officer line manages SSOs.
